MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Book on the U-2 and the Abortive Summit Conference

25X1A 1. Mr. Pierre Salinger raised the following matter with me today: He said that two newspapermen, [redacted] were writing a book on the U-2 and the ill-fated Summit Conference of 1960. He said that these authors wanted to interview [redacted] in order to hear from him the story of the development of the U-2 aircraft. [redacted] 25X1A has apparently declined to speak with these writers unless he obtains permission from the Agency. They are attempting to have Mr. Salinger intercede on their behalf, but he does not want to do anything on the matter without Agency guidance.

2. I assume that you are familiar with this upcoming book and with the [redacted] angle. Nevertheless, I would appreciate knowing what the Agency position is and what you would like me to tell Mr. Salinger. He is prepared to sit tight, or, if we have no objection to a talk with [redacted] he can exact a quid pro quo from the authors that they submit that part of the manuscript for censorship on security grounds and possibly arrange for an Agency officer to be present when the interview is granted. 25X1A

3. Will you please advise me.
